MESSAGE FROM THE BOARD

2010 HOMEOWNERS BOARD ELECTED

This has been a challenging year, but, your Board has risen to the occasion. Here are examples of some of the work done on your behalf this year:

1. The gates have been re-worked and should last for many years without much expense.
2. The board walk and dock have been worked and re-stained.
3. Decayed trees have been removed.
4. External wall has been pressure washed and painted.

More importantly, your Board worked hard at maintaining the monthly Association fee of \$79.00 although actual expenses have risen.

In addition to the new board discussed at the right, the following committees need individuals to help with the designated responsibilities:

1. Architectural Review Committee
2. Welcoming Committee
3. Nominating Committee

Anyone wishing to join one of these committees please give me a call. I am sure we can use your support.

Happy Holidays to Everyone
