Gate Access:

Please be sure that your gate information is up to date. Guests can only contact you from the front gate if your name and correct telephone # are entered in the gate computer. (Phone # does not appear on the gate box screen, only your name.) If you have not furnished this information this information may be missing or incorrect in the gate's computer. Press 9 to open the gate for callers at the entrance.

If you have purchased your home and inherited the gate opener and codes from the previous owner, make sure that you have notified the HOA of the openers' serial # in your name and the codes you would like to use. Please note that we remove the old homeowner's information when they leave.

If you need gate openers, codes or your phone number in the system, please notify Manny Mendez, at 813-996-4518. If the gate is not working correctly please contact the Trowbridge company at 813-264-1119. The gates can be opened manually if there is a power failure or the gates malfunction. Keep in mind that if there is power failure at one gate the other gate is on a different circuit and it may work. Please remember that at the southern gate you do need a gate opener to get in.

Sincerely,

THE PRESERVE AT LAKE THOMAS HOMEOWNERS ASSOCIATION, INC.
